WHEN CAN I RETURN TO SCHOOL AFTER ILLNESS OR QUARANTINE?

Positive COVID-19

May return when fever-free 24 hours without the use of fever-reducing medication, **AND** other symptoms are improving, **AND** 10 days after symptoms first appeared. Must provide copy of test result, return date from health department, and physician note permitting return to school.

Negative COVID-19

May return after 10 days OR BEFORE with medical evaluation, **AND** fever-free 24 hours without the use of fever-reducing medication, **AND** symptoms have improved. Must provide copy of test result and physician note permitting return to school.

No COVID-19 Test Differential Diagnosis

May return when fever-free 24 hours without the use of fever-reducing medication, **AND** symptoms have improved. Must provide physician note permitting return to school.

Exposure to COVID19/Quarantine

QUARANTINE: 10 days after last contact unless symptoms develop.
OR
Obtain a negative approved test result collected on day 5 or later after last contact AND stay home at least 7 days after last contact.

If fever is the **ONLY** symptom, you may return when fever-free 24 hours without the use of fever-reducing medication.

(Students MUST be dropped off by parent & check in with clinic-NO BUS)

QUESTIONS? CALL THE SCHOOL AND ASK TO SPEAK TO THE CLINIC
