

March 13, 2020

Dear Parents/Guardians:

Thank you for your patience during our preparations for the state-mandated school closing due to the ongoing COVID-19.

While schools are closed, the district wants to provide continuous learning for students through take-home packets, textbooks, materials, and online resources. We encourage students to complete the assignments while home and turn them in upon their return to school. Teachers are available by email to answer any questions and assist students with their work.

If your child was absent from school on Friday, you can pick up packets at Nevin Coppock, Broadway, LT Ball, and Tippecanoe Middle School on Monday, March 16, from 8:00 a.m. to 10:00 a.m.; pick up hours at Tippecanoe High School are from 8:00 a.m. to 1:00 p.m.

Many of you have questions that just can not be answered at this time. Decisions on make-up days and state testing, for example, are in the hands of the Governor and Ohio Department of Education. We will continue to monitor the situation and expectations. The district will update information on its Facebook page and website as it becomes available.

Tipp City Schools has canceled all extracurricular activities, events, awards ceremonies, and athletics. This includes practices, conditioning, scrimmages, and games.

Tipp Monroe Community Services will offer lunch through the Lunch on Us program beginning Monday. Pick up times and drop-off points are being finalized. We will communicate the details before then on social media and the district website.

This is a challenging and anxious time for all of us. As the Governor said, "Nothing matters more than taking steps to prevent the further spread of the disease."

Please take care of your family.

Sincerely,

Dr. Gretta Kumpf
Superintendent
