- *Superintendent's Blog

tippcityschools.smugmug.com

Each year teachers and principals take hundreds of photos! SmugMug is a photo sharing venue that allows you to feel a part of students' experiences!

www.twitter.com/tippcityschools

The district uses twitter to bring announcements, reminders, and timely information to those with accounts. Be sure to add the district to your account to receive regular updates.

www.facebook.com/tippcityschools

The district uses Facebook for announcements about special events, student honors and achievements, and reminders about activities. The district also posts its weekly *Quick News* newsletter. "Liking" the page is a good way to receive regular updates.

Sign Up For These Communication Services:

E-Mail Alerts

The district e-mail alert is an OPT-IN e-mail notification program that allows parents and community members to receive e-mails with the latest news and information. This includes information about school delays or closings, the weekly newsletter, and reminders when appropriate. **YOU MUST REGISTER** on the district website (under e-mail alerts) and check the specific notifications you would like to receive.

One Call Now

One Call Now is an automated phone notification system typically used for school closings, weather-related schedule changes and other emergencies. On occasion, administrators may use One Call Now to communicate less urgent information. PLEASE NOTE: The primary home and mobile phone numbers provided on the yellow registration form are entered in our system. **FAMILIES MUST GO ONLINE AT www.tippcityschools.com/Page/121 TO MAKE CHANGES.**

Quick News

Quick News is a weekly district e-newsletter that highlights the wonderful learning taking place in our schools. It includes photos, updates, reminders and other important information to help families and community members stay connected. To receive this newsletter, **YOU MUST REGISTER ONLINE AT www.tippcityschools.com/Page/3555**. It is also posted on Facebook and Twitter for those with active accounts on these social media venues.

Parent Internet Viewer

The Pinnacle Internet Viewer allows 4th through 12th grade students and their parents/guardians to securely access and read student information such as class performance, future assignments, missing assignments, and test grades. Each student account requires a user name and password initially issued by the school in 4th grade. Access the site via the district home page under the heading "For Parents." For lost or forgotten sign-on information, contact the school.

Pay For It

Pay For It Provides parents with a convenient, easy and secure online prepayment service for lunch accounts and school fees. **PARENTS MUST REGISTER AT www.PayForIt.net**. The system allows parents to check account balances, deposit lunch money (a fee is assessed), monitor student purchases, and receive low-balance e-mail notification.

Please note you are NOT required to pay on your student's account in order to use the other services available on this venue.
